CHRISTMAS AT THE CASTLE

CELEBRATE WITH A CASTLE ALL TO YOURSELVES

Three Night Christmas Package, 24th - 26th December 2020

CHRISTMAS EVE

As you and your family and friends arrive at Luttrellstown Castle, you'll be welcomed in style with a glass of champagne and some delicious treats. While we look after your luggage, you'll be whisked away to enjoy traditional afternoon tea in the same place it's been enjoyed here for centuries. After your unique wine or Irish whiskey tasting class, you'll be brought for a walk around the estate by a guide and professional Irish story-teller. As evening descends,

our Chauffeur can take you to Christmas Eve Mass in St. Mochas Church. When you return, you'll sit down to a stunning three-course festive dinner in the incredible Van Stry Ballroom, with a harpist's mellow strains entertaining you through your evening. Then, there's only one important thing to do, as together, we leave cookies and milk out for Santa and his reindeers.

CHRISTMAS DAY

After waking up in your beautiful and historic bedroom, you can come down to enjoy a fantastic full Irish breakfast together with your loved ones. When you're ready, a very special guest will arrive down our chimney with a sack full of presents for you all. If you require it, our chauffeur can then whisk you away to Christmas Day Services. Back within the walls of our sprawling private estate, you and your guests can enjoy one of our exciting country pursuit activities. When you've worked up an appetite outside, you can enjoy a delicious five-course Christmas lunch complete with ham, turkey, drinks and Christmas crackers. After lunch, the kids can hit our special movie room, while the adults relax by the fireplace in our magnificent library. Then, before you all head to your bedroom, you can enjoy a light Christmas supper in the evening.

ST. STEPHEN'S DAY

Stay in bed a little late before you come down to enjoy a beautiful brunch as you share your stories of the day before. In the afternoon, you can choose to do one of our fantastic activities including falconry, archery or even clay pigeon shooting. When you're good and tired, it's the perfect time to come back into the warmth and enjoy a unique wine or whiskey tasting. Then, in the evening, sit down for another mouth-watering three-course dinner and drinks with light entertainment and an enchanting atmosphere
