On the course...

*N*estled among lush mature woodlands and basking in the splendour of the majestic Luttrellstown Castle, lies Luttrellstown Castle Golf Course. This exquisite 18-hole championship golf course lies in the heart of Dublin, only 20 minutes from the both the city centre and Dublin Airport. The enchanting castle and grounds has a rich and spellbinding history and passing centuries have endowed the Castle with a noble spirit, a warmth and character that visitors can share in today. The scale and maturity of Luttrellstown Castle's extensive demesne allows a complete escape from the stress and care of daily life.

The course measures over 7,347 yards from the championship tees, making it a worthy test for golfers of the highest standard. The natural contours of the land have been cleverly maintained on this Steel & MacKenzie designed course to preserve the integrity of this ancient landscape. Water is a feature on 11 holes, so accurate tee-shots and strategic course management are a must. The spectacular views across the Liffey Valley and Strawberry Beds add to the appeal of this stunning parkland course. A view of a romantic Doric Temple and quaint boathouse are sure to be talking point even amongst the most competitive and focused of golfers. The stretch between the 3rd and 7th holes is the most demanding on the course, and it is here where most games are won and lost.

The facilities...

Luttrellstown Castle boasts one of the largest grassed-area practise facilities in Dublin. Take advantage of our three academy holes where non-golfers can learn and gain on-course confidence without taking on 18 holes. Our short game practise area takes the form of two bunkers and a chipping green. We also offer expert tuition with our resident PGA professional where skills can be sharpened and honed in advance of friendly rivalry or competitive matches on the course.

Relax and unwind in the casual ambience of the Spike Bar in our sumptuous clubhouse. For more formal dining, we have La-Mora Restaurant located on the first floor. Set against a backdrop of the Dublin Mountains, golfers and guests are treated to a visual feast of rich parklands and the beautiful Liffey Valley. For those wishing to arrange pre/post round meetings, we have a suite of meetings rooms, the larger of which can accommodate up to 200 people. For larger conferences, the Castle is available. All our meeting rooms have the latest technology and high-speed wi-fi.

We have a delightful Pro-Shop fully stocked with the latest season apparel, golf balls and accessories for any pre-round purchases or post-game souvenirs.
